**VALIDATE** [New Registration](#) click here for new registration

## Step 2: STUDENTS WILL RECEIVE A TEST LINK IN THEIR EMAIL.

- The link will be valid as per the time given in the SLOT. (See TIME-LOGIN WINDOW)
- They just need to click the link AND follow the instructions
- Test duration: 2 hours 30 minutes.
- See below for the online test process or check out [soti.net/india](https://soti.net/india)

## ONLINE TEST PROCESS

- Type of test: 100% coding questions.
- # of languages: You will have a choice of 10 languages to choose from, including C, C++, C#, Java and Python.
- # of questions: 3
- # of test cases: Each question will have 2 to 5 test cases. There are 2 types – Default Test Cases and Basic Test Cases.
  - Default Test Cases will help ensure that your solution is on the right track. These Default Test Cases carry NO marks.
  - Basic Test Cases carry marks. Please ensure that you attempt ALL the Basic Test Cases.
- Duration: 2hours 30 minutes. Please make sure that you click the submit button before time is up. If you do not click submit, you may lose marks.
- No negative marks

## HOW TO TAKE THE ONLINE TEST

- You can take the test from home.
- Ensure you have a good, uninterrupted Internet connection (if possible, a broadband connection). If you have connectivity issues at home, please let your Placement Officer know immediately and request they make arrangements for you.
- Please use a laptop/desktop with a camera. Switch it on.
- Please ensure that all other applications are closed.

5. Please attempt the test in a closed room where you are alone. Do not allow anyone to stand/sit near you or behind you.
6. Do NOT use mobile phones or other devices while attempting the test.
7. If you are disconnected for any reason, you may re-login within 20 minutes.
8. Please approach your respective Placement Officer in case you are not able to complete the test.
9. You SHALL NOT use shortcuts (not even Ctrl-C/Ctrl-V/Ctrl-S), toggle between tabs or look elsewhere other than on the screen. The test is proctored (closely watched). After a few attempts, you will be automatically locked out. Once locked out, you will NOT get a second chance to complete the test.

## INTERVIEW

**Interview Date:** Will be notified once the online tests are over.

**Rounds of interview:** There will be two rounds of interviews – Technical and HR.
